

The Danish Roadbook

COVID-19

Covid-19 Level of service

Due to the current development of the Corona pandemic in Europe, it is not possible for us to conduct new measurements this year.

However, we can offer Roadbooks based on the many measurements we have conducted in previous years. Itinerary 2021 is basically identical to ZR's in 2020 and 2019.

We will adjust if possible, but we can not assess our accuracy before we know itinerary for 2021 edition. You must accept it is made to the best of our ability under the circumstances.
